

Community Event Grant Funding Program Guidelines & Application

This program is administered by the Highlands County Tourist Development Council (TDC), which is overseen by the Highlands County Board of County Commissioners. Approved by TDC on April 30, 2020.

The Florida Legislature enacted the Local Option Tourist Development Act ([Section 125.0104, Florida Statutes](#)) in response to the growing need of Florida counties to provide additional revenue sources for Tourist Development in an effort to stimulate the local economy. The Highlands County Tourist Development Council (TDC) was created in 1995 pursuant to Highlands County Ordinance 95-4, and operates in accordance with Section 125.0104, Florida Statutes. The county's 4% Tourist Development Tax (TDT) is levied on occupied transient lodging sales, i.e. hotels/motels, campgrounds and other short-term rental properties. The TDT Revenues are designated to promote Highlands County as a preferred visitor destination and assist with increasing tourism to the county in the non-peak tourism months.

The nine-member Highlands County Tourist Development Council (TDC) is an appointed advisory group tasked with making recommendations to the Board of County Commissioners (BOCC) on how the TDT funds should be spent to achieve the County's tourist development goals. More information about the TDT can be found in the enabling legislation, Section 125.0104, Florida Statutes.

Why Tourism Development?

Tourism is an economic development tool that provides great benefits to the citizens of Highlands County including job creation, sales and gasoline taxes, plus millions of dollars in ad valorem tax revenue paid by local tourism businesses, all which help pay for the quality of life we enjoy. So, while overnight visitors pay the TDT, the approximate \$150 million in direct spending that visitors pay annually to local businesses does much more.

Uses of the Tourist Development Tax are restricted by Florida Statute and County Ordinance. Simply put, the TDC's Grant Program is permitted only as a means of advertising and promoting tourism. **Therefore, events funded through this program must demonstrate the intent and effect of attracting visitors to Highlands County.**

What is the Community Event Grant Program?

The Community Event Grant Program is a TDC-funded grant program for events in Highlands County that provide community-based entertainment and recreation from April-December for locals and visitors in Highlands County; encourage increased local and visitor spending; reinforce a positive image of Highlands County; amplify the experience economy; leverage and promote the Sebring brand; and provide added value to Highlands County visitors while they are visiting Highlands County. Criteria for the Community Grant Program includes:

1. Minimum number of event attendees: 500+ verified attendees
2. Maximum funding: \$2,500 (years 1-3); \$1,250 (years 4-6)
3. Applicant's contribution: 1:1 cash matching for all grant funds requested. In-kind matching will not be accepted.

4. Eligible organization: non-profit organizations in Highlands County
5. Application period: Once per year; must be 120 days before event
6. Selection of recipient: based on scoring
7. Funding: Grant funds can only be used for reimbursable marketing outside Highlands County; 75% must be digital online advertising

TDT funding of Highlands County community events and ongoing programs should be provided only on a limited term basis, as “seed funding,” not as a perpetual revenue source. That objective for TDT funding is to encourage organizations to develop their programs in ways that help events become self-sufficient in their promotional expenses. In doing so, funding can be available to assist other events and help enhance the overall community product.

Some Community Events attract large numbers of day visitors with little to no overnight room night stays. Those community events have a positive effect in contributing to the vitality of Highlands County and are therefore attractive to potential tourists. Therefore, the TDC may support those events that are open to the public through non-grant/non-monetary avenues, such as:

- Fulfillment of area tourism information
- Visit Sebring promotional material
- Request for Proposal (RFP) distribution
- Public relations support
- Photo/video support
- Social media/calendar/website listing
- Referrals to County/City departments
- Research data collection
- Consultation to grow events to attract overnight visitors

To request funding support as a Community Event, an organization (Applicant) must prepare an application as part of the competitive annual award cycle **AND** attend the TDC meeting where the grant request is considered.

ANNUAL APPLICATION TIMELINE*

For Events occurring October 1, 2021-September 30, 2022

Applications Due	Presentation to TDC**
July 1, 2021 at 4:00 PM	July 29, 2021 TDC meeting at 8:15 AM

*If date(s) above fall on a weekend or holiday, items are due on the prior business day.

**Dates subject to change.

To ensure proper budgeting procedures, the TDC will receive and review submitted Community Event Grant applications on an annual basis.

The TDC will then determine the recommended contract award dollar amount and forward that recommendation to the Highlands County Board of County Commissioners (BOCC) for approval. Applicants are encouraged to not contact members of the TDC, Board of County Commissioners or non-TDC County staff in order to provide a fair and equitable process of consideration of each application.

PROGRAM OVERVIEW

The number and amount of each Community Event Funding Program award will be dependent upon the availability of funds and specific allocations associated within the annual TDC budget. TDC funding support of a Community Event is reviewed and recommended yearly based on documented performance.

Maximum funding for a Community Event is \$2,500 for years 1-3 of the event; \$1,250 for years 4-6 of the event. For purpose of TDC funding programs, a year #1 event is defined as a specific event named in the application that has not been previously held in Sebring/Highlands County in any form.

The Community Grant Funding Program will receive a set budget each year and each Applicant's project will be ranked based on the project's scores from the point system outlined in the application. Funds will be recommended in order from project ranked #1 until the budget has been used.

EXAMPLE: If \$10,000 is budgeted for the Community Event Funding Program, and the applications scored and ranked in the top 5 are eligible for and utilize that budgeted \$30,000, then applications scored and ranked #6 and higher will not receive funding.

Awards will be funded on a sliding scale reflective of the point values outlined in the section titled Community Event Funding Program Application. For example, if Applicant requests \$2,500 and scores 45 (averaged) out of 100 points, the maximum amount of funding Applicant will be recommended to receive is \$1,125 (45% of \$2,500).

MEETING ATTENDANCE REQUIREMENT

Recipients of Community Event Funding Program funds are required to meet at least once (in person or via phone) with TDC staff to review marketing plans and coordinate marketing efforts.

Applicants requesting funding are required to attend the assigned TDC meeting in which an Applicant's application will be reviewed. During that TDC meeting, an Applicant must present a 1-2 minute "update" and respond to questions from the TDC. ***Failure of an Event representative to attend the specified TDC meeting will result in removal of the Applicant's application from the TDC's consideration.***

A limited amount of funds is available. The grant application process is a highly competitive process and applications will be reviewed and scored on specific criteria.

Applicants must notify the TDC of any changes (i.e. date, venue, event content etc.) to their Event/Project plans in writing at least **60 days prior** to the Event/Project start date. Failure to do this can result in termination of the contract and jeopardize future funding. Early notification of changes is necessary to properly promote programs through various marketing platforms and the TDC's website www.VisitSebring.com. The TDC would have to vote to accept these changes and maintain or adjust funding accordingly.

All information provided to the TDC in conjunction with the Community Event - Funding Program Guidelines will become subject to disclosure and available for public inspection in accordance with the *Florida Public Records Law*, in Chapter 119, Florida Statutes, except information exempt from disclosure pursuant to Section 125.0104 (9)(d)(2), Florida Statutes and other any other applicable provision of law.
