

Special Event/Conference Grant Funding Program Guidelines & Application

This program is administered by the Highlands County Tourist Development Council (TDC), which is overseen by the Highlands County Board of County Commissioners. Approved by TDC on April 30, 2020.

AUTHORIZATION HISTORY

The Florida State Legislature enacted the Local Option Tourist Development Act ([Section 125.0104, Florida Statutes](#)) in response to the growing need of Florida counties to provide additional revenue sources for Tourist Development in an effort to stimulate the local economy. The Highlands County Tourist Development Council (TDC) was created in 1995 pursuant to Highlands County Ordinance 95-4, and it operates in accordance with Section 125.0104, Florida Statutes. The county's 4% Tourist Development Tax (TDT) is levied on occupied transient lodging sales, i.e. hotels/motels, campgrounds and other short-term rental properties. The TDT Revenues are designated to promote Sebring/Highlands County as a preferred visitor destination and assist with increasing tourism to the county in the non-peak tourism months.

The nine-member Highlands County Tourist Development Council (TDC) is an appointed advisory group tasked with making recommendations to the Board of County Commissioners (BOCC) on how the TDT funds should be spent to achieve the County's tourist development goals. More information about the TDT can be found in the enabling legislation, Section 125.0104, Florida Statutes.

Why Tourism Development?

Tourism is an economic development tool that provides great benefits to the citizens of Highlands County including job creation, sales and gasoline taxes, plus millions of dollars in ad valorem tax revenue paid by local tourism businesses, all which help pay for the quality of life we enjoy. So, while overnight visitors pay the TDT, the approximate \$150 million in direct spending that visitors pay annually to local businesses does much more.

Uses of the Tourist Development Tax are restricted by Florida Statute and County Ordinance. Simply put, the TDC's Grant Program is permitted only as a means of advertising and promoting tourism. **Therefore, events funded through this program must demonstrate the intent and effect of attracting visitors to Highlands County.**

Visit Sebring leads and supports the Highlands County tourism industry by providing innovative marketing programs and promotions to ensure the continued growth of tourism and travel from visitors. The purpose of the Special Event/Group Meeting or Conference Grant Program is to position Highlands County as a must-experience destination in Florida through quality events and initiatives. The TDC recognizes special events, group meetings and conferences as a major contributor to the overall tourism economy. In order to assist these special events, the TDC has guidelines for special events seeking funding.

All requests for funds from organizers (Applicants) seeking to host an Event must be reviewed and approved by TDC Staff, the TDC and the Highlands County Board of County Commissioners (BOCC). Funds that will be submitted for TDC reimbursement cannot not be spent until final approval by BOCC has been granted and contract with County has been fully executed.

Once a funding amount has been approved, funds will not be disbursed until after the Event has been completed and both a post-event economic impact report and the final Room Night Verification Form(s) have been produced and timely submitted to the TDC for review.

The number and extent of these grants will be dependent upon the availability of designated funds and specific allocations. Ideally, the funds allocated by the TDC will eventually be returned through overnight lodging sales and the TDT generated from those sales. The intent of the Special Event/Group Meeting or Conference Funding Program is to provide funding assistance for events that attract overnight visitors to Highlands County.

For special events/conferences staged in Sebring/Highlands County April-December that attract overnight visitors in county, grant program criteria include:

VISITOR TRACKING

In order to assess the impact of each Event on the Sebring/Highlands County transient lodging industry, the TDC requires the tracking of the number of overnight visitors attending the Event/Project.

Room block reports from hotels are the preferred method of reporting room data. However, a *Room Night Certification Form* (page 9) is an acceptable means of tracking. For the Events that impose an online booking tool and/or event page for direct tracking of host hotels, it is the Applicant's responsibility and make every effort to track room nights from overnight stays at all accommodators, whether or not they were selected as a host hotel. This information will be used to track the number of visitors attending each Event/Project and staying overnight in short term accommodations.

NOTE: For the purpose of calculating creditable overnight stays, only rooms subject to Tourist Development Tax shall be included, i.e., rooms exempt from payment of tax or provided on a complimentary (free of charge) basis shall be excluded from the calculation.

Following the Event, the TDC reserves the right to conduct an audit of information presented for each funded Event/Project. All lodging accommodations listed may be contacted to confirm the number of room nights generated for the Event/Project. **PLEASE NOTE THAT ANY MISLEADING OR FALSE INFORMATION PRESENTED CAN AND WILL ADVERSELY AFFECT CURRENT AND FUTURE FUNDING AWARDS.** Not tracking your rooms and/or visitors could void your post Event/Project funding.

CONCLUSION

Applicants are encouraged to not contact members of the TDC, Board of County Commissioners or non-TDC County staff in order to provide a fair and equitable process of consideration of each applicant. Applicant may make contact with TDC staff to address any concerns or deliver updates. Additionally, the Event/Project director, fiscal administrator or other contact person may be called upon by TDC staff at any time during the review process. TDC meetings are held on the last Thursday of each month (unless otherwise noticed) in October, January, April and July. Applicant is required to attend the TDC meeting (either in person or via phone) for which the Event application is scheduled for review. This will be the only opportunity to speak directly to the TDC in regard to the Event application.

REIMBURSEMENT/ACCOUNTABILITY

- Within 60 days after the completion of the Event, Applicant must submit:
 - >Post Event Report (required form found on www.VisitSebring.com), copy of event collateral displaying approved logo block.
 - >Invoice for TDC/BOCC approved funds (addressed to Visit Sebring/Highlands County TDC) and all supporting reimbursement documentation.
- If original award amount must be prorated due to the actual room nights being less than the guaranteed room nights, an updated invoice will be required with the new award amount.
- The TDC will conduct audits to promote accuracy of attendance and room nights reported in Post Event Report.
- Incomplete reports will not be considered. A request for an extension of the 60-day deadline will require approval from the Tourist Development Council.

SPECIAL EVENT FUNDING REQUEST LEVELS

There is a maximum funding level of \$10,000. The guaranteed number of room nights does not guarantee the level of funding at which the Event may be approved. The final funding recommendation will be based on the TDC's discretion. As an example, if the TDC finds that an Applicant has overstated the room nights, the TDC has the right to place the application at a lower funding level. All requests will be submitted as a recommendation by the TDC to the Highlands County Board of County Commissioners.

SPECIAL EVENT GUIDELINES

Funding is available for Special Events/Group Meetings/Conferences staged in Sebring/Highlands County by organizations that attract large numbers of visitors from outside the County. Such an Event must generate a **minimum of 50 TOTAL room nights** to be considered for funding.

Consideration for funding is determined by the number of room nights and the overall economic impact the Event will bring to Sebring/Highlands County. The funding level will be determined strictly based on \$20 per each verified room night that the Event brought to Sebring/Highlands County lodging partners.

Exceptions for Extraordinary Circumstances

It is to be acknowledged that while it is clearly not possible to legislate for the unknown, it is possible to identify and anticipate the potential for exceptional circumstances and to weigh our response to them. The TDC may recommend increasing funding in extraordinary circumstances. These extraordinary circumstances will be reviewed on a case-by-case basis for consideration and recommendation to the Highlands County Board of County Commissioners for final approval.

The TDC will only reimburse for actual, verified room nights only. For example:

If the TDC approved a grant for \$10,000 for an event that guaranteed 500 room nights and the event actually only generated 300 total room nights, the TDC would determine the total percentage of what was produced based upon what was guaranteed by taking $300/500 = 60\%$. The maximum total amount awarded in this case based upon the % formula would be 60% of \$10,000 which equals \$6,000.
